**“1LT Josh Reeves, C co XO, 82nd EN BN, shared the following with Dave and I while here:**

**‘Mr. Roever, Sir, I just had to come by to thank you for what you did for me and my family. When I was a little boy growing up in Texas, you came to speak at the little church in my hometown, and my father heard your testimony. It moved him, and it was on that night that my dad decided for the first time in his life to get serious about his relationship with Jesus Christ. On that night my father decided to become the spiritual leader of my family, and we started going to church on a regular basis from that day forward. Thanks to what God did through you, I was raised in a Christian home, and there is no telling what, or who, or where I would be today if my father's life was not turned around. Thanks for what you do, it means so much to all of us who serve!’”**

**Hi there Mrs. Derrick,**

**Thanks for the note of encouragement. I would not mind at all if you used my story in a newsletter. Thanks again.**
