The year that we spent putting together all of the details for Dave Roevers' crusade in Elizabethtown, KY was unlike anything I had ever been a part of before. It was a great opportunity to pull together as the Body of Christ, breaking down any denominational barriers that might have existed. There were many obstacles to overcome in the planning stages of the crusade, but God provided in so many ways. Dave Roevers' team always went above and beyond to help us in any way they could.

The week's events were packed full of excitement and the Holy Spirit was ever present! God worked so powerfully through Dave that His power could not be denied. To see Dave pour out his heart to the soldiers at the Freedom Rally was incredible and life changing for so many. The school assemblies were just as powerful, but in a different kind of way. Dave's life story speaks strongly to the youth. It has quite an impact even though he doesn't talk about God; his ability to witness without words is amazing.

Now that the crusade is over and Dave has gone on to do other events, we, here in our community, still have a spiritual, eternal bond with each other. I don't think anyone on the steering committee will forget the experience of witnessing the soldiers and others giving their lives to Christ during that week.

It was a complete joy to be a part of the planning for and the actual crusade itself. I thank God for that opportunity.
